Origin

This project is a tribute to grenache, a variety that was almost forgotten because of its difficult cultivation. Proyecto Garnachas is a collection of wines from 5 different Spanish regions. Each wine expresses the unique characteristics of its region.

Varieties: 100% Grenache.

Vineyard: Goblet-trained vineyard, planted in 1940, located on slopes with ferrous-clay soil in Valle del Ribota.

Harvest: Manual harvest of selected grapes at the middle of October.

Winemaking: Maceration for 17 days, controlled fermentation in 15.000 kg concrete deposits at the temperature below 25°C.

Aging: 10 months in new French oak barrels.

Alcohol Content: 14,5% Vol.

Tasting notes

Colour: Mature red cherry with deep edges.

Nose: Intense with dark red and black fruits with roasted and cocoa notes.

Palate: Smooth and fruity wine, complemented with gentle tannins. Intensive character that fills the mouth and leaves a long aftertaste.

A mild winter, followed by a rainy spring and dry summer, which delayed the harvest. The quality of the grapes was excellent, with loose clusters and small grain due to the summer drought.
