

# Tilenus Vendimia

**Region:** DO Bierzo  
**Grape Variety:** 100% Mencía

**Age of Vineyards:** 20 – 40 years old.

**Soil:** Calcareous Clay.

**Altitude:** 500 y 700 mts.

**Vinification:** Spontaneous.

Stainless steel tanks.

**Yield:** 6.500 kg/ha.

## **Tasting Notes:**

A ruby red colour with violet hues. It presents a bouquet with a wide aromatic range that includes wild fruits (raspberry, strawberry and cherry) and floral notes. In mouth, the unctuousity and freshness of the Mencía variety complement each other, and all under a fine tannic structure.
